Fri.	8/3	7:10 pm WELS Night at Miller Park
Sun.	8/5	8:00 & 10:30 am Worship Service at Stonehaven Dr.

DEAR MEMBERS AND STAFF OF PEACE

I want to extend a heartfelt thanks to all of you for the wonderful retirement party you honored me with. It has been an honor and privilege to have served the past 13 years as a teacher of God's lambs at Peace. May the Lord continue to richly bless you in the future years.

In His service,
Miss Jane Wade

NEWS AND NOTES

BEGINNING AUGUST 5, SERVICES WILL BE 8:00 & 10:30

The first full weekend that we worship at the Stonehaven campus and every weekend thereafter (beginning August 5) Sunday services will be 8:00 & 10:30. Monday will remain the same at 6:30.

HELP US WITH LOGISTICS

We invite you to attend a logistical practice for worship this afternoon, at 1:00 p.m. at the Stonehaven campus. **This will not be a worship service per se.** We will merely be experimenting with chair arrangements, traffic flow, sound checks, etc. We are hoping approx. 50 to 100 people will attend. We are also hoping it will take an hour or so.

STUFF THE BUS

Peace congregation is being asked to donate supplies for the Sun Prairie community “Stuff the Bus” campaign. Stuff the Bus provides free school supplies to Sun Prairie students in need for the coming school year. Peace members are asked to donate dry erase markers, any color (goal = 200) and composition notebooks. They will be picked up by a volunteer on August 12. Please see the poster/box area in the fellowship hall. Thank you!

FAREWELL TO ROSSI & JOSH

Rossi Zarling has been our 1st grade teacher for the past four years. Josh is known by many of us for his Bible classes and sermons. A card/cash box will be present today and the weekend of August 5 to wish them farewell and God’s blessings.

JOB OPPORTUNITIES AT LAKESIDE LUTHERAN HIGH SCHOOL

Lakeside Lutheran High School is seeking candidates for several non-called positions, one full-time and several part-time, including an administrative assistant, morning custodian, groundskeeper and more. To see what positions remain available and to find more information and applications, see llhs.org/apps/pages/employment.

HOSPITAL NEWS

Ruth Schultz was admitted to Saint Mary's hospital.

PEACE CONNECTION E-MAILS

The first e-mail from our new delivery system went out on Friday, June 8th with a list of significant dates for the move and transition to the Stonehaven campus this summer. If you have not yet submitted your e-mail and would like to receive these information updates, please sign up either on one of the forms on the table in the fellowship hall or through the link on the Peace Facebook page. If you did sign up and have not received the e-mail from June 9, please check your SPAM folder, and if it is not there, please try re-submitting your e-mail or contact the church office. Thank you!

COLLEGE STUDENTS' ADDRESSES

If you have a child going to college next month, please send their address, email and phone number to the church office. We want to keep them informed about their home church. If you have a student who has completed their schooling please let us know their new information also. Send to church.office@peacewels.org or give Mrs. Alberts a call with it (837-5346).

CONSTRUCTION UPDATE

We finished June with 97.55% of the construction completed. Mr. Raymond and the teachers have moved into the four new classrooms and the storage rooms in preparation for the first day of school. The Kindergarten classroom has been moved to its new classroom.

The GPLC (Grow in Peace Learning Center) is complete except for multiple minor punch list items. Priority was shifted from this wing to the church wing the middle of June to meet the church transition timeline. Final inspection was obtained on July 13th along with the occupancy permit. The PK-3 classroom furniture was moved from Windsor to Stonehaven on July 14th. More moves are being planned to move the remaining classrooms out of the Windsor basement. We expect the paint list punch list to be completed by July 20th and the remaining items by July 30th. This wing has not officially been turned over to Peace by Catalyst Construction when this update was written.

The Church Wing office area is basically completed expect for a couple of minor punch list items. Final inspection was obtained on July 13th along with the occupancy permit. Over 40 volunteers helped moved the administrative offices and financial records to the basement storage room on July 14th.

The multi-purpose room and kitchen punch list is in process. These items should be completed by July 20th. The movable walls and sound and video systems were installed and are being adjusted by the sub-contractors. The raised platform for the altar was started on July 13th and is expected to be completed by July 19th excluding the carpet. Some rework of a section of the east wall of the multi-purpose room will be started in July to correct an alignment issue. This wing has also not officially been turned over to Peace.

Three owner training sessions were completed by sub-contractors to train key Peace members. Landscape and parking lots were completed late due to the June and July rains.

Phone system, building security system, and WIFI system were all completed during the past month to support the move on July 14th. When this update was written the Rogers organ, Baldwin Piano, Roland digital keyboard, and Kawai Grand Piano, and church storage rooms and basement classrooms have not been moved. Hopefully

with God's help, this will all happen by the end of July to support our first worship service on Monday, July 30th.

THANKS TO ALL THE VOLUNTEERS

Since this is my last update to the congregation on this historical project to consolidate our worship to one site, it's time to thank all those volunteers that helped make this a successful project. Thanks to the Building Committee members for their many long hours and nights of work with the architect firm and general contractor in developing the three new wings to the school building. Special thanks to Debbie Hatfield and Mr. Kyle Raymond who worked with me as the Peace Construction Team that met every two weeks with the architects, general contractor and some time with sub-contractors where we made hundreds of decisions as the project evolved including all those change orders. Those individuals dealt with the many emails, phone calls, and face-to-face meetings that are typical to construction projects.

The Church Council and all the boards have been encouraging and very supportive. As the project involved additional sub teams were formed; Kitchen, Color Team, Security and Phone, IT Committee, Sanctuary, Church Transition, Decorating, and Signage. All these volunteers made an impact to this expansion project. Leaders of these sub teams spent hours meeting with potential sub-contractors and recommending one to the Building Committee and/or Church Council. Their leadership didn't end there, as they continued to be involved in problem solving with these sub-contractors as they installed their equipment. The outstanding support by the congregation in supporting seven cleanings from February 10 to June 2 was exceptional. Over 236 members participated in these seven cleanings in cold, damp, and warm working conditions. With your support we saved over \$7,000 in construction cleaning. To all those volunteers that helped with the two moves for the Church Wing, your contribution was greatly appreciated. Finally I thank all the individuals that spoke to me who could not help with the physical activities due to health conditions but managed to find a way to help in other ways.

Without all your support and dedication, this historical project would not have happened. THANK YOU for volunteering. Your contributions, small or large, made this project a success. I personally THANK ALL OF YOU for your support and words of encouragement over the past two years. God Bless you all.

Del Mineard, Jr

Building Committee Chairman - Project Manager

FLOW OF (FOOT) TRAFFIC AT STONEHAVE CAMPUS

As we prepare for the transition to the Stonehaven campus, note the new traffic patterns that will be occurring around worship times. If possible, we would like the north parking lot (along Stonehaven Drive) to be used for those with more limited ability to walk as it will generally be closer to the fellowship hall. **The majority of members are therefore encouraged to use the west parking lot (along School Street).** From this west parking lot, we would like members to use the main entrance on the south end of the fellowship hall (**Door 12**, between the ECLC and the fellowship hall). To avoid disruptions during worship services, the west set of doors into the fellowship hall will be locked and able to be used as an exit only. We will have signs posted and ushers/greeters available for guidance before services.
