

PENTECOST 12

Jesus, the Bread of Life:
Jesus Himself is our heavenly food.

PEACE LUTHERAN CHURCH

August 12, 2018

WELCOME TO WORSHIP

We love that you are here today! The library in the back offers **parents** a place to go with their little ones if necessary and still participate in the service. **Restrooms** are in the hallway to the right and also across the hall on the right side, opposite the school office.

TODAY'S FOCUS

This is the third Sunday of a five-Sunday series on Jesus' "Bread of Life" sermon. Perhaps we take it for granted that God the Son came to earth in the flesh. This was a profoundly difficult concept for those who saw Jesus, the Son of God from heaven, standing right in front of them. We are to believe in the flesh and blood of Jesus and no other savior for our salvation.

PLEASE RESPECT OUR PRACTICE OF “CLOSE COMMUNION”

Christ says the Sacrament is an expression of unity (1 Co 10:16-17). We WANT to be unified with you on the basis of Christ and His doctrine! Honesty compels us to ask you to WAIT before communing with us: 1) until you’ve had a chance to find out what we teach; 2) until you make your unity with us evident by membership at Peace. Regular classes are conducted for this purpose (837-5346). WELS & ELS guests please sign a “guest” card and give it to an usher before communing. Thank you.

WELCOME TO OUR NEW FACILITY!!

Today is the 2nd Sunday we are worshiping here. Prior to this our ministry had been divided between two campuses. Our recent construction enables us to carry out our mission together on one campus.

The worship space you are in, beautiful as it is, is not a permanent place for worship. A future phase of construction will involve building a separate sanctuary along the west side of this room. This room will function as a fellowship hall.

On Sunday, September 9, we will have a special dedication service & celebration for the newly completed portions of this campus at 8:00 & 10:30 am. Please join us!

THE USE OF PROJECTED IMAGES

As you see, at this time the projectors are being employed as traditional hymn boards with service information. It is not the purpose of the Board of Elders to do away with our hymnals.

Even if that were the purpose, we couldn’t dive straight into using all-projections-all-the-time. It is a complex component that requires detailed planning and practice if we intend to conduct worship that reflects excellence. In the future there may be projected components to our Sunday morning experience that we introduce gradually as we get accustomed to our new facility and its technological capabilities.
